Introduction:

The career guidance session on "Career Opportunities in Microbiology" was held on Monday, 11th March 2023. The session aimed to provide final-year students with valuable insights into various career prospects available in the field of microbiology. The event was organized by the Department of Microbiology, with Mr. S.S. Shinde delivering the introductory remarks.

The session featured a renowned expert in the field, Dr. Amar Yeware, who shared his extensive knowledge and experience with the participants. Dr. Yeware is widely recognized for his contributions to microbiology and has a strong background in both academia and industry. The event was presided over by Dr. V.V Naik, the president of the department. Dr. Naik expressed his enthusiasm for providing students with valuable career guidance and encouraged them to explore the numerous opportunities available in the field of microbiology.

Mr. J. V. Kuwar extended a vote of thanks to Dr. Amar Yeware for his insightful presentation and to

all the participants for their active engagement. Mr. Kuwar highlighted the significance of such events in shaping the future of aspiring microbiologists. Ms. Tanuja Gharge skillfully anchored the session, ensuring its smooth flow and facilitating interaction between the speaker and the participants. The session was coordinated by Mr. J.V. Kuwar, who played a crucial role in organizing the event and ensuring its success. Mr. Kuwar's dedication and efforts were instrumental in bringing together the participants and the esteemed speaker.

The Department of Microbiology took the initiative to organize this career guidance session to assist final-year students in making informed decisions about their future. The department recognizes the importance of providing students with insights into potential career paths within the field of microbiology. The session witnessed the active participation of approximately 200 final-year students who were eager to explore the diverse career opportunities within microbiology. The significant turnout highlighted the students' enthusiasm and the relevance of the topic.

The career guidance session lasted for a total of 120 minutes. Within this timeframe, the participants gained valuable knowledge about the different career avenues available to them after completing their B.Sc. in microbiology. The event was conducted in an online mode, allowing students to attend from the comfort of their homes or educational institutions. This online format enabled widespread participation and eliminated geographical constraints.

Purpose:

The primary objective of the session was to provide final-year students with comprehensive guidance on the various career options available to them in the field of microbiology. The session aimed to shed light on opportunities in academia, industry, and research, helping students make informed decisions regarding their career paths.

Programme Outcome:

The career guidance session successfully achieved its intended outcomes. Participants gained a deeper understanding of the advancements in research within the field of microbiology and learned about the wide range of job opportunities available to them. The session empowered students to explore different career paths and equipped them with valuable knowledge to make informed decisions about their future careers.

Conclusion:

The career guidance session on "Career Opportunities in Microbiology" provided a platform for final-year students to explore potential career paths within the field. The event, organized by the Department of Microbiology, featured Dr. Amar Yeware, who shared valuable insights and experiences. The participants gained a broader understanding of the available career opportunities in academia, industry, and research. The success of the session was attributed to the collective efforts of Mr. S.S. Shinde, Dr. V.V Naik, Mr. J. V. Kuwar, and Ms. Tanuja Gharge, along with the active participation of approximately 200 students. Overall, the event served its purpose of empowering students with knowledge and information to make well-informed decisions about their future careers in the field of microbiology.
