A Brief Report of the Career Guidance and Alumni engagement

Academic Year: 2022-2023

Details of the Programme

- Title: Career Guidance and Alumni Engagement
- Introduction: Mr. S.S. Shinde
- Speaker: Ms. Tejaswini Kamble, Ms. Prajakta Bhosale, Ms. Bhagyashri More
- President: Dr. V.Y. Kadam
- Vote of Thanks: Mr. J. V. Kuwar
- Anchoring: Ms. Tanuja Gharge
- Programme Coordinator: Mr. S.S. Shinde
- Organizing Department: Microbiology
- Number of Participants: 30
- Duration of the Programme: 60 minutes
- Day and Date: Monday, 6th March 2023
- Place: Kadegaon

Purpose:

The Career Guidance and Alumni Engagement program was organized by the Department of Microbiology with the aim of providing career guidance to the final year students. The program featured prominent alumni who have excelled in various career sectors such as academia, industry, and clinical research. The primary purpose was to inform and inspire the students about the career options available to them after completing their B.Sc. in Microbiology. Additionally, the program aimed to provide information on recent advancements in clinical research.

Program Outcome:

The program successfully achieved its objective of providing valuable career guidance to the participating students. The alumni speakers, Ms. Tejaswini Kamble, Ms. Prajakta Bhosale, and Ms. Bhagyashri More, shared their experiences and insights from different career sectors, providing the students with a broad understanding of the opportunities available to them.

The session commenced with Mr. S.S. Shinde introducing the program and its purpose. He emphasized the importance of career guidance and the value of learning from successful alumni who have carved a niche for themselves in their respective fields.

The alumni speakers, Ms. Kamble, Ms. Bhosale, and Ms. More, shared their career journeys, highlighting the challenges they faced and the strategies they employed to overcome them. They provided valuable information about different career paths, the skills required for success, and the prospects and growth opportunities in each sector. The speakers also discussed

Department of Microbiology

the importance of continuous learning, adaptability, and networking in building a successful career.

Dr. V.Y. Kadam, the President and Principal of our college, delivered a motivating address, encouraging the students to explore various career options and pursue their passions. He emphasized the significance of gaining practical experience and maintaining a strong academic foundation to excel in the field of microbiology.

Mr. J.V. Kuwar delivered the vote of thanks, expressing gratitude to the alumni speakers for sharing their valuable insights and motivating the students. He also thanked the organizing team for their efforts in arranging the program.

Ms. Tanuja Gharge efficiently anchored the program, ensuring a smooth flow of events and engaging the audience throughout the session.

Conclusion:

The Career Guidance and Alumni Engagement program proved to be highly beneficial for the participating students. They gained valuable insights into different career sectors and learned about the advancements in clinical research. The program inspired them to think beyond traditional career paths and provided guidance on developing the necessary skills for success.

The active participation of the alumni speakers, along with the support of Mr. S.S. Shinde, Dr. V.Y. Kadam, and Mr. J.V. Kuwar, contributed to the success of the program. The event provided a platform for networking, learning, and motivation, empowering the students to make informed decisions about their future careers in the field of microbiology.

The Department of Microbiology, through such career guidance initiatives, continues to support and nurture the professional development of its students, preparing them for the challenges and opportunities that lie ahead.

Overall, the Career Guidance and Alumni Engagement program was a resounding success, leaving the students inspired, motivated, and well-informed about the diverse career paths available to them after completing their B.Sc. in Microbiology.
