A Brief Report of the student-centric activity - Student seminar

Academic Year: 2021-2022

Details of the Programme

- Title of the student-centric activity: Student seminar
- Name of the Programme Coordinator: Mr. J.V Kuwar
- Organizing Department: Department of Microbiology
- Number of Participants: 40
- Purpose: The purpose of this activity is to develop self-learning, self-confidence in presentation, and stage daring among students. To improve their communication skill.
- Course/ Programme Outcome: Students improved their communication skills. Their self-learning ability and self-presentation skill gets developed. All students presented their topics well while the seminar presentation.
