Acceptance Letter by Principal, MBSKK Mahavidyalaya, Kadegaon

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the ~~Monday~~ DAY of 10/10/22, DATE Adarsh College, Vita and Matoshri Bayabai Shripatrao Kadam Kanya Mahavidyalaya, Kadegaon therefore agree to establish a programme for academic cooperation in the areas of mutual interest, and in accordance with terms and conditions set forth in this MoU.

• **Background**

It is the statutory object of ADARSH COLLEGE, Vita to disseminate and advance knowledge by providing instructional, research and extension facilities in various branches of learning as it may deem fit and it shall endeavour to provide students and teachers the necessary atmosphere and facilities for the promotion of-

- Innovations in education leading to restructuring of courses, new methods of teaching and learning and integral development of personality
- Studies in various disciplines
- Inter-disciplinary and multi-disciplinary studies
- National integration, secularism and international understanding.

• **Purpose and Scope**

1. Both the institutions intend for this MoU to provide the foundation and structure for any and all possibly binding agreement related to academic, professional, research and extension activities and cooperation.
2. This MoU should not establish or create any type of formal agreement or obligation. Instead, it is an agreement between the institutions to work together in such a manner to encourage an atmosphere of collaboration and alliance in the support of an effective and efficient partnership to establish and maintain objectives and commitments with regards to all matters related to academic, professional, research and extension activities.

• **Objectives**

The goal is to foster collaboration, provide opportunity for global experience, and to facilitate advancement of knowledge on the basis of reciprocity, best effort, mutual benefit, and frequent interactions. Adarsh College and Matoshri Bayabai Shripatrao Kadam Kanya Mahavidyalaya, Kadegaon agree

- a) To exchange information on research and educational programmes
- b) To exchange information on teaching, learning material and other literature relevant to their educational and research programmes
- c) To jointly organize short-term continuing education programmes on topics of mutual interest and to invite each other's faculty to participate therein
- d) To jointly organize seminars, conferences or workshops on topics of mutual interest and to invite each other's faculty to participate therein
- e) To jointly propose and engage in research or training programmes sponsored by funding agencies, and to invite each other's faculty to participate therein
- f) Collaborations in the sharing of academic data, scientific information, intellectual property, articles and publications
- g) To exchange, on a reciprocal basis, students at Undergraduate and Graduate levels for limited periods of time for purpose of education and/or research.

Adarsh College, Vita and Matoshri Bayabai Shripatrao Kadam Kanya Mahavidyalaya, Kadegaon agree that detailed terms and conditions that guide each activity identified above will be separately determined and agreed upon by the two

institutions. These terms shall include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation, etc.

• **Exchange of Students and Teachers**

1. Reciprocal arrangements based on mutually acceptable terms shall be accomplished to give an impetus to collaborative research and joint projects. Teachers, researchers, guides, and students of both the institutions shall be encouraged to work in tandem in the laboratories, workshops, faculties and departments of both the institutions.
2. Issues relating to travel, boarding, lodging, miscellaneous expenses shall be incorporated and shall vary according to the rules, regulations and policies of every institution.

• **Joint Conferences, Workshops and Short-Term Courses**

Both the institutions agree to help identify and invite faculty members from the other institution to participate in conferences, workshop and short-term courses. The terms and conditions for such participation will be worked out by mutual agreement between **Adarsh College, Vita** and **Matoshri Bayabai Shripatrao Kadam Kanya Mahavidyalaya, Kadegaon**.

• **Intellectual Property**

Both the institutions agree to respect each other's rights to intellectual property. Further, the intellectual property rights that arise as a result of any collaborative research or activity under this MoU will be worked out on a case-by-case basis, and will be consistent with the officially laid down IPR policies of the two institutions.

• **Co-ordination**

Each institution shall appoint one member of its teaching research faculty to coordinate the programme on its behalf. Further, a coordination committee, consisting of Director/President or his/her nominee/ Programme Coordinator from both the sides will periodically review and identify ways to strengthen cooperation between the two institutions.

• **Tenure and Termination**

This MoU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for five years, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MoU by giving written notice to the other institution six months in advance. Once terminated, neither **Adarsh College, Vita** nor **Matoshri Bayabai Shripatrao Kadam Kanya Mahavidyalaya, Kadegaon** will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, both the institutions will ensure that all activities in progress are allowed to complete successfully.

• **Arbitration Clause**

Should there be a dispute relating to any aspect of academic cooperation, Heads or Programme Coordinators of both the institutions will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

This MoU is signed subject to approval of the respective academic/administrative bodies.

About Institution:

Matoshri Bayabai Shripatrao Kadam Kanya Mahavidyalaya, Kadegaon Tal- Kadegaon, Dist: Sangli (Maharashtra) & Department of Chemistry

The college is located on Karad - Vita Road, (i.e. 20 km to the East of Karad and 22 km to the West of Vita.) The college site is very attracting and of academic impression. The complex is very safe and useful for the girl students for their career making. It is the unique centre in the western Maharashtra for girls degree education. Its quality education has been certified and recognised by NAAC. The UGC has also enlisted the college under section 2(F) and 12(b).

Bharati Vidyapeeth started Matoshri Bayabai Shripatrao Kadam Kanya Mahavidyalaya, a degree college, especially for girls at Kadegaon in 1990. The college is established for the education, welfare and empowerment of the women in this region. It is named after the mother of Dr. Patangrao Kadam. She, holy, pious woman, though illiterate, was very keen for women education and their enrichment. The college runs the Degree courses in Arts, Science, and Commerce affiliated to Shivaji University, Kolhapur.

About Institution:

The Rayat Shikshan Sanstha along with the people's co-operation started Balwant College in 1963 owing to which the higher education has been made available for hundreds of students residing in the town Vita and the area nearby it whose right of the college education was usurped by poverty and thus proved to be a great boon for them. The College has been named after the respected father of the greatest son of India, Late Yashwantrao Chavan, then Deputy Prime Minister of India and has been affiliated to Shivaji University, Kolhapur.

The college has sprawling eco-friendly campus of 16.5 acres. It imparts education to the downtrodden, sons and daughters of farmers and farm labour. The constant achievement in academics, research, extra-curricular activities and social accountability of college resulted in achieving "A" grade with 3.11 CGPA by NAAC Bangalore. The college has received funding from various agencies like UGC, DST-FIST, RUSA, Central and State Govt. Recently college also received ISO 9001-2015 certificate.

Introduction: Human rights are the basic rights and freedoms that belong to every person in the world, from birth until death. They apply regardless of where you are from, what you believe or how you choose to live your life. Human rights are a set of rights that are given to every human being regardless of his/her gender, caste, creed, religion, nation, location or economic status. For this he/ she have some responsibilities against our rights. These are said to be moral principles that illustrate certain standards of human behavior.

Introduction : Department of Sociology, Arts & Commerce College, Kadepur organizes a speech under the MoU Faculty Exchange Activity, on 'Human Life and Health'. Now a days, the people of all over the world realizes the importance of health especially within the pandemic period. To take care of our health is the responsibility of both individual that person and also the government. Most important thing is that our diet/food is the best medicine for our healthy body. A healthy diet is essential for good health and nutrition. It protects you against many diseases.

Introduction : Department of Sociology, Arts & Commerce College, Kadepur organizes a speech under the MoU Faculty Exchange Activity, on 'Cyber Crime and Youth'. In the digital age, children are exposed to a vast amount of technology and the internet, making them vulnerable to cybercrime. Cybercrime includes bullying, harassment, identity theft, fraud, and other online dangers that can harm children's mental and emotional health. As our youth is mostly using computer and Internet and are mostly involved in cybercrimes so they are mostly affected by these crimes. They are affecting personally, socially/culturally and economically. Through this lecture students will realize the benefits of internet and awareness about cyber-crime.

Welcome - Chief Guest Dr. Dayavati Padalkar

Dr. Dayavati Padalkar explains the different types of cyber crimes with some recent examples and their effects on youth.

Chair Person Mr. Dattatray Honmane, gives his opinion about cyber crime.

Outcomes:

Some important tips for students - Avoid using friend's phone, public computer, cyber cafe or free Wi-Fi for sensitive browsing as data can be stolen or copied. Be cyber aware- Make aware about potential online threats such as grooming, bullying, and stalking, keep track of their online activities. Students realized advantages and disadvantages of the internet awareness about cyber-crime.

MoU Activity with MyRaditech Services, Karad

Date: 03rd April 2023

Time: 10.45 am onwards

Details of the Programme

- Title: Microbial Techniques in Laboratory Technology Evolution
- Introduction: Mr. S.S. Shinde
- Speaker: Mr. Santosh M. Lokhande
- President: Dr. V.Y. Kadam
- Vote of Thanks: Mr. J. V. Kuwar
- Anchoring: Ms. Tanuja Gharge
- Programme Coordinator: Mr. S.S. Shinde
- Organizing Department: Microbiology
- Number of Participants: 64
- Day and Date: Monday, 6th March 2023
- Place: Conference Hall No. 21

Introduction:

The Department of Microbiology organized a workshop on "Microbial Techniques in Laboratory Technology Evolution" under the MoU Activity. The workshop aimed to create awareness about microbial techniques, laboratory safety, and the proper handling of lab chemicals, equipment, and microbiological cultures among students, teaching, and non-teaching staff.

Objective of the Event:

- To create awareness about microbial techniques and laboratory safety among participants.
- To provide understanding of the proper handling of lab chemicals, equipment, and microbiological cultures.
- To educate participants on the standard operating protocols of the laboratory and various methods.

Chief Guest:

Mr. Santosh M. Lokhande, the Managing Partner of MyRaditech Services, Karad, graced the event as the Chief Guest. His expertise and experience in the field added value to the workshop.

President:

Prof. Dr. V. Y. Kadam, the President of the event, provided his valuable presence and support, highlighting the significance of the workshop and its objectives.

Faculty Involved:

Mr. S.S. Shinde introduced the resource person, Mr. Santosh M. Lokhande, providing a background and highlighting his expertise. Mr. J.V. Kuwar delivered the vote of thanks, expressing gratitude to the resource person and all the participants. Miss. A. Pawar efficiently anchored the workshop, ensuring smooth proceedings.

Number of Participants:

The workshop witnessed active participation from 64 individuals, including students, teaching staff, and non-teaching staff. The substantial turnout demonstrated the interest and importance placed on laboratory safety and microbial techniques.

Bharati Vidyapeeth's
Matoshri Bayabai Shripatrao Kadam Kanya Mahavidyalaya, Kadegaon, Dist. Sangli
Department of Microbiology

Outcome of the Event:

The workshop proved to be highly informative and beneficial to the participants. It provided extensive information on laboratory safety protocols, microbial techniques, and the handling of lab chemicals, equipment, and microbiological cultures. The workshop aimed to enhance the well-being of students and staff working in laboratory settings.

The participants gained a deeper understanding of laboratory safety measures and the proper techniques involved in microbiological experiments. They learned about the standard operating protocols of the laboratory and various methods used in the field. The workshop equipped participants with the knowledge necessary to ensure a safe and efficient laboratory environment.

Conclusion:

The workshop on "Microbial Techniques in Laboratory Technology Evolution" organized by the Department of Microbiology was a resounding success. The presence of Mr. Santosh M. Lokhande as the Chief Guest added significant value to the event. The active involvement of the faculty members, including Mr. S.S. Shinde, Mr. J.V. Kuwar, and Miss. A. Pawar, contributed to the smooth flow of the workshop. The event witnessed the participation of 64 individuals, and the outcomes highlighted the importance of laboratory safety and microbial techniques in creating a conducive working environment. Overall, the workshop proved to be highly informative, empowering participants with knowledge that will positively impact their work in laboratory settings.
