### Introduction :

Mehandi holds a special place in Indian culture and is considered auspicious. Mehandi Classes educate participants about the cultural and spiritual aspects of Mehandi, connecting them with the rich traditions of Navratri. Mehandi is also a part of the solah shringar recommended by ancient texts to get the bride ready for her new life. Mehandi is a ceremonial art form common in India. In Rajasthan, the grooms are given designs that are often as elaborate as those for brides. Currently, the Indian wedding industry is over Rs 100,000 crore (annual expenditure on weddings) and is growing at 25 to 30 percent every year. Therefore the college students can also expect to get a lot of work opportunities as a Mehandi Artist.

### Introduction:

Being physically active can improve your brain health, help manage weight, reduce the risk of disease, strengthen bones and muscles, and improve your ability to do everyday activities. Adults who sit less and do any amount of moderate-to-vigorous physical activity gain some health benefits.

The rising number of crimes against girls in the country, it is important to provide self-defense training to them in the schools to ensure their safety and security. Self-defense training is a life skill that helps girls to be more aware of their surroundings and be prepared for the unexpected at any time. Through the self defense training, the girls are taught to become psychologically, intellectually and physically strong enough to protect themselves in times of distress. Self defense training techniques instills self confidence amongst girls and helps to promote girls education particularly their transition to secondary and higher secondary level and to reduce the dropout rate in school and colleges.

### Introduction:

The Anti-Sexual Harassment Cell has been established to provide a healthy and congenial atmosphere to all the staff members and students. Save girl child is one of the most important issue in India. This campaign was started as a concern over the declining sex ratio of the girl child. Save girl child is a campaign where the government along with different trusts, societies and non-government organizations are spreading awareness among masses against female foeticide. Beti Bachao Beti Padhao is an effort to empower women with dignity and enhance opportunities for them. So, it needs to understand the problem and also the reality of both the social issues.

Working of Nirbhaya Pathak As part of the special campaign, Nirbhaya Squad has been set up to curb such incidents so that girls and women in the city are not harassed, Road Romeo is harassed and any untoward incidents against women take place.

The Nirbhaya Pathak team shared information on ways to be careful in daily life - whether it is going to school, college, or office as well as ways to use social media safely. We
