**7.2**

## **BEST PRACTICES**

**7.2. Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual**

## **BEST PRACTICES**

**I**

**Student welfare support through Earn and Learn scheme.**

**1. Title:** Student welfare support through Earn and Learn scheme.

**2. Goal:** To provide opportunities to the students to earn while they are learning to meet their expenses.

**3. Context:** Institute provides excellent supporting facilities for students coming from poor financial conditions and improves confidence and personality in them to gain work experience. They are much more aware of working conditions, corporate ethics and world that they are going to enter. The students who wish to study more can rely on working while learning.

**4. The Practice:**

Students are working in different departments like Garden, Gymkhana, Library, and official work of institute to earn the money to meet the needs.

**5. The Evidence of Success:**

Number of students gets benefitted through this scheme and can continue their study and meet the needs of education.

**6. Problems encountered and recourse required:**

Lack of knowledge to students and their parents regarding vocational courses. There is need of properly trained instructors and adequate funding.

# BEST PRACTICES II

## Awareness of mobile banking

**1. Title:** Awareness of mobile banking

**2. Goal:** To aware the students and teachers for use of mobiles to carry out various transactions.

**3. Context:**

Institute has take initiative to aware the students and staff for mobile banking techniques through Commerce Department. Various lectures are organized for student and staff by the banking sectors as well workshops is organized for students in the college campus. With trained students college organizes digital campaign in society and motivates the peoples for the use mobile banking. Net banking and mobile banking is playing a role in ‘Digital India’ Banks has offers technology based services to customers like ATM, smart, debit and mobile banking and focusing on paperless mode of payment. Mobile banking involves transaction using bank apps, E-bill payment, money transfer, recharge, balance checking etc

**5. The Evidence of Success:**

Mobile banking reduces the need to visit banks one can access banking in anytime from anywhere, it is easy to use and secure. All students and staff use mobile banking to get balance enquiry, instant money transfer and recharges etc. It saves the time, easy way to save money.

**6. Problems encountered and resource required:**

It is need of education system to shift the educational mode and design the process and use of new adaptive techniques to overcome the banking problems.
