Feedback Analysis Report 2023-24

Introduction

The Visionary leader Dr. Patangrao Kadam has established Bharati Vidyapeeth and started Matoshri Bayabai Shripatrao Kadam Kanya Mahavidyalaya, a degree college, especially for girls at Kadegaon in 1990. The college is established for the education, welfare and empowerment of the women in this region. It is named after the mother of Dr. Patangrao Kadam, her name is Smt. Bayabai Shripatrao Kadam. Every year a survey was conducted to assess the satisfaction of all the stakeholders (Students, Alumni, Teachers and Employers) regarding curriculum of the college. The college is permanently affiliated to Shivaji University, Kolhapur and follow curriculum prescribed by university. Receiving positive or negative feedback from these stakeholders is important as both these are crucial in helping monitor and evaluate the provision. Listening to what stakeholder say is a contributing factor to running a successful college or institution.

Methodology

In every academic year, we ask all the stakeholders to fill a feedback form (manual) which is made available to respective departments. The feedback forms were collected at the end of each academic year.

Design of Feedback

The responses from the student, teacher, alumni and employer are collected on the five-point scale:

1. **VG: Very Good**
2. **G: Good**
3. **F: Fair**
4. **S: Satisfactory**
5. **UN: Unsatisfactory**

Overall Evaluation

Feedback was collected and analyzed by Feedback Committee of the college. Opinion of all stakeholders are obtained about each parameter in percentage. Suggestions by the stakeholders were recorded and appropriate action has been taken.
