**'One-Day Field Visit'**

**To Horticultural Farms near to College Campus**

**Organised by**

**Department of Botany**

**on**

**6<sup>th</sup> January, 2022**

## Background of field visit

As per the curriculum of Shivaji University, Kolhapur for B. Sc. Part III, M. Sc. I and II Botany, visit to nearby Horticultural farm is mandatory. In this context, Department of Botany organised a one-day field visit to horticultural farms such as Citrus, Watermelon and Banana situated in adjoining area of college campus. The field visit was arranged on 6<sup>th</sup> January, 2021 with permission of Principal. Students collected samples of diseases observed on plants and photographs of the same. The field conditions were monitored and the report was prepared.

## Objectives of the field visit

- To observe and interpret the plant pathology study in its natural environment.
  - To collect and identify diseases on horticultural crops.
  - To document the diseases in crop plants.
  - To encourage students for research related activities in the field of plant pathology.
- 
- Total number of students participated in field visit was 25
  - Total number of faculty in organising field visit was 6

(List of students and faculty attached separately)

## ✚ Outcomes of the field visit

1. Students are enabled to identify diseases on crop plants.
2. Students prepared herbarium of infected plant specimens.
3. Students captured the photographs of plants.
4. Students monitored and analysed plant material for further study.
