Internal Quality Assurance Report (IQAR) 2005-2006

submitted to

NATIONAL ASSESSMENT & ACCREDITATION COUNCIL, BANGLORE

PART 'A'

The year 2003-2004 stood as a redefining moment in the history of the college as we went through the process of accreditation. The NAAC Peer Team committee accredited our college at Grade B+, but we felt that a few more things and systematic efforts should help to achieve the prestigious 'A' Grade. Taking into account the same, and some of the Peer Team's observations and remarks, we decided to chart the further course of action.

Infrastructure :

The Parent Organisation, i.e Bharati Vidyapeeth, has provided excellent infrastructure to carry out the academic and co-curricular activities in the college. The college is situated on the campus sprawled over 17 acres of land. The road facing two storeyed building of the college adds absolute beauty to the campus as it is designed on aesthetic ground. The building is designed on the notion of the God of Arts, *Nateshwar*, in the dancing position, of which the wings are spread in the opposite directions indicating wings of the eagle for whom *Sky is the Limit*.

The College Building consists of the well furnished office, class rooms, laboratories, library, ladies room, computer lab. etc.

The IQAC committee felt the need of expansion at several departments. The number of class room has to be increased to match the launching of the new courses. The class room conditions have to be

improved as some of them needs to be furnished with Green Boards, Ceiling Fans, Rostrums, Plat Forms, Benches, Audio-Visual Equipments and so on. The Auditorium is one of the important needs of the college, which is yet to be done.

The College Canteen, Vehicle Parking Place for the students, Improvements in the Botanical Garden, Inadequate Water Supply, Indoor Games facilities, the Out Door Sports Facilities, Expansion of the Present Hostel Building and toilets units in the college building are some of the things which require immediate consideration and attention.

LIBRARY :

The provision of infrastructure for the library is also on our agenda. In the year 2005-06 the Library prescribed for 40 magazines & Journals, 700 reference books with 400 test books for various classes.

Computerization of the Library is also of prior importance to us. We plan to purchase advanced software which is exclusively designed for the Library Purpose.

We decided to increase the number of books, journals, periodicals by availing various grants under different UGC schemes and through other sources such as donations etc. To the end of the year we are at pleasure to mention that we purchased 367 text books, 630 reference books, 37 Journals & periodicals and Book Cases worth Rs. 54,000/-. It is purchased under Regular Grant, Young College Grant, Xth Plan Grant and Minor Research Project Grant.

Dept. of Sports :

As the College Gymkhana is equipped with a four lane track of 400 metres, and gymnasium, so far our college has organized several sports competitions at the inter zonal and university level. The sport ground designed in the land admeasuring 17 acres consists of a vollyball court, a long jump pit, a kho-kho ground and some other out door games. We plan to have indoor stadium which is must for our students.

Co-curricular Activities :

We believe that co-curricular activities are equally important for the overall development of the students. In this respect, since inception we have been conducting various competitions in elocution, dance, drama, essay writing, poetry reading etc. The Science Association, The Literature Forum and The Debate Club of our college offer great opportunities to our students and help them to expose their hidden talents.

We have now decided to conduct the State level elocution and debate competition. Similarly as mentioned in the previous report we organize a state level General Knowledge Test through the Bharati Vidyapeeth Deemed University, Pune and we decided to enlarge its scope in the recent future. We also plan to expose our students to the national and international organizations, personalities, places and talents.

National Service Scheme :

Under the National Service Scheme we want to carry out following activities this year :

- We have planned to establish a bond of relationship with almost all villages spread around the township. On its way we have decided to conduct several rallies on the respective day assigned for the different celebrations such as *Kranti Din on 2nd Aug., Independence Day etc.*
- As a result of our deep and active involvement with N. S. S, we have felt the need of Volunteers' Training by which the implementation of the activities become easy and effective.
- As usual the Special Winter Camp will also be conducted.

We are pleased to mention that all these activities were conducted as per our planning and the Special Winter Camp was also held at *Apshinge* situated in Kadegaon Tahasil.

PART- B

Social Transformation Trough Dynamic Education is the motto of our Institution. This college, being exclusively for girl students, has its own mission which ultimately reflect the need of the area. Through this unit we propose to change the mind set of the people regarding education as whole and girls education in particular. We believe in the notion that the education of a girl child is of double benefit. It is the common observation that in all developed countries women's education has been kept on the top of the National Agenda, on the contrary most of the countries suffer a lot due to their orthodox attitude towards women's education.

Chasing the goal of transformation, we have privilege to mention that we have successfully achieved the goals which we have kept before us at the moment of its inception. Our students have realized the value of the life with self dignity, the place of principles in our life, the principle of equality, and above all the going beyond self in service of the Nation.

It is the most urgent and essential need for an individual to master the English language in general and spoken English in particular. It is one of the important means of communication through which one survives in today's world which is full of competitions. After having understood the need of the era the Dept. of English in our college, went ahead with a proper plan of developing all four skills of the students.

As our college is affiliated to Shivaji University we have no scope to decide the curriculum. The syllabus decided and designed by the respective boards is taught in the college. Initially we used to communicate our suggestions through the members of Boards of Studies. Recently three of our staff members have been elected on the Board of Studies in the subject of

Physics, Chemistry and Marathi. The Dept. of Chemistry conducted One day Workshop on Curriculum Designing of B. Sc II.

The courses we have offered in this college help us to achieve the mission. Today it has been observed that the conventional courses must be supported through professional courses, which may help the students on their way of success. While selecting these courses we thought about its application in general life and usefulness to bring monetary gain. The Course in Handicraft, Fashion Designing, Perfume and Purse Making etc. found great response. The College 'Ladies Association' took initiative for the implementation of these courses.

The Dept. of Botany undertook various activities which enriched the Botanical Garden in a different manner. We collected the rare species of plants, medicinal plants, and varieties of cactus and so on. Due to the hybrid culture we have lost several of the Native varieties and due to the excess use of chemicals and fertilizers on several extents we have lost these Native Varieties of seeds, plants and flowers. We decided to provide special attention to it.

The Environmental Studies have been considered as core part of all the syllabuses. The inculcation of these values such as affinity, attachment and our accountability towards nature is must for the survival of this planet and the life on it. Following the UGC guidelines we decided to introduce Environmental Studies at the Second Year Level of all the streams. This interdisciplinary subject has been well approved and received by the students with great enthusiasm.

We humbly claim that every year we conduct several seminars and conferences dealing with different themes and current issues. We also inspire our staff members to take part in different state, national as well as

international seminars. This year also our staff members participated in several seminars, conferences and their paper presentation was greatly appreciated. The details of the same has been given in the annexure.

Since last few years priority has been given to research on the agenda. Some of our colleagues have submitted their research proposals to UGC. The details of the same are furnished below :

Dr. S. N. Borhade (Commerce)

Title of the Project : *Productivity Performance Appraisal of Sugar Industry in Maharashtra*

Amount Received: 50,000/-

• **Mrs. M. M. Ghatage (Botany)**

Title of the Project: *Studies in Foresworn of Kadegaon Town at Sangli District*

Amount Received: 60,000/-

• **Dr. V. S. Salunkhe (Baotany)**

Title of the Project: *Studies of Biodiversity and Ecology of Surli Ghat, Karad Dist. Satara*

Amount Received: 45,000/-

• **Shri. G. V. Mali (Microbiology)**

Title of the Minor Research Project: *Effect of netive species of Rhizobia and Azotobacter on different parameters in groundnut from singli District.*

Amount Received: 45,000/-

Dr. D. R. Gaikwad (Marathi)

Title of Research Project : *Bibliography of the Ph. D. Thesis (Marathi) Submitted to Various Universities in Maharshtra*

Amount Received : 6,67,000/-

GRANTS FUND AS ON 31 ST MARCH 2006

Paerticulars	Balance on 31/3/2005	Add.Buring The year	Total	Less utilised by way of During The year	Balance on 31/3/2006
LGC Grants	5,83,436=00	1,27,891=00	7,11,327=00	70,787=00	6,40,540=00
Development Grant				Recurring-29705	
Conference Grant				Dep – 41082	
Minor Research (Padalkar)		10,00,000=00	10,00,000=00	1,46,736=20	8,53,263=80
Young Colege				Rec. 50,053	
Minor Research (Salunkhe)				Dep-96,683=20	
Sport Grant	74,920=00		74,920=00	10,690=00	46,230=00
	6,58,356=00	11,27,891=00	17,86,247=00	2,28,213=20	15,58,033=80

The amount received under the said grants was of great help to enhance the research culture in the college. The amount was utilized as per the requirement mentioned in the research projects. A part of it was also proved useful to update the laboratories and purchase of equipments thereby. Special care was also taken to spend the amount on such items which are of multiple applications and can also be useful to others.

Details of the Research Scholars:

Dr. M. G. Bodhankar of Microbiology Dept. and I/C Principal participated in the National Conference on “Quality Enhancement measures”, Aurangabad on 29th & 30th June, 2005. Dr. S. N. Borhade from the Dept of Commerce presented a paper in the 58th Annual Convention of the Indian Commerce Association held at Waranasi. On 29th Dec. 2005. Dr. S. V. Pore, Head Dept. of Chemistry actively participated in the National Conference on “Pharmaceutical Productions and Development” organized by Bharati Vidyapeeth Deemed University, Pune and Poona College of Pharmacy on 10th & 11th Sept., 2005. Dr. S. D. Kulkarni, Vice Principal and Head; Dept of Marathi, represented the University in the 79th Akhil Bharatiya Marathi Sahitya Sammelan held at Solapur during 27th to 29th Jan.,

2006. Dr. Mrs. Dayavati Padalkar from the Dept. of Sociology also presented a paper on “Research and Methods in Social Sciences”, in 17th Marathi Samajshastra Parishad at Tumsar Dist. Bhandara on 6th & 7th Jan., 2005. The details regarding the contribution of our research scholars are given in the annexure.

Honors and Awards to the Faculty :

The talent and contribution of our faculty has been appreciated by various social bodies and organizations. For instance Dr. S. D. Kulkarni, Vice Principal and Head; Dept. of Marathi, was honoured with *Karad Bhushan Gaurav Puskara*, while Prof. Dhanjay Ghutukade, Head Dept. of Hindi was felicitated with the Ideal teacher Award 2005 by the Abhinav Vidyapeeth, Vita.

Recruitment of the Teachers and Officers ;

Due to the Government policies there was no recruitment in the year but as the appointments of the lecturers was must to run various courses, we appointed teachers on Clock Hour basis. We hope to have appointments on regular basis soon.

Teaching Non-Teaching Staff Ratio :

Total Number of Teaching staff	:	31.
Total Number of Non-Teaching Staff	:	22.
Required Ratio	:	1.4 : 1.

The College has full fledged library with a full time librarian and attendants. Presently there are 9667 books and the amount spend on the purchase of new books, reference books and journals is 3,07,691/- during the year 2005-2006. The annexure appended here is adequate to acquaint with details regarding the progress of library in the respective year.

As per the Balance Sheet finalized on 31st March 2005 for the Academic Year 2004-2005, the amount of expenditure is 1,07,02,989/- . The total number of students admitted to various courses was 742. and so the unit cost for the said academic year is Rs. 14,424=00.

PART – C

The IQAC of our college proposes certain plans for the quality enhancement of the college. The salient of them are:-

- I) Infrastructure:
 - 1) To Extend the Hostel Accomodation.
 - 2) Wall compounding to the campus.

- II) Curricular Aspects:
 - 1) To propose for career oriented programmes.
 - 2) To Arrange the various regional state and national conferereses, seminaors, workshops.

- III) Healthy Practices:
 - 1) To establish college as an effective community center.
 - 2) To participate in Government and NGO’S social activities.
