The College always insists on intensive interaction between faculty members and the students. The faculty help students in many ways as their professional obligation. Though there is a formal counselling cell in the college, personal counselling is given to the students in an informal manner. Ordinarily, every faculty member makes himself available for at least 2 to 3 hours to the students after lectures everyday.

Counselling is not confined only to the academic programmes. The faculty members help the students to solve their personal problems. They guide them in selection of optional courses. They provide them guidance with regard for choosing careers after passing the master's programme.

The ladies association works for betterment of the students. The association organizes the lectures and discussions to boost the morale of these students. These students are made aware of the challenges that they will be facing in future and are informed about the modern avenues available for them.

The ladies staff members provide them necessary guidance and counselling to the girls and their grievances are solved through the grievance redressal cell, anti-ragging cell and prevention of sexual harassment cell.

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision : Social Transformation Through Dynamic Education

Mission : To create awareness for higher education among the girls from the rural area, help them to be educated, self reliant to uplift their standard of living and contribute actively to bring about the social transformation

6.2 Does the Institution has a management Information System

Yes.

The management requires quarterly comprehensive academic and administrative report of the institute. The management takes immediate steps to meet necessary changes and improvement whenever necessary. Similarly, the transactions are internally audited twice in a year. Every year management takes an exhaustive review of the University examination results. The periodical College Development Committee meetings are conducted, at the same time serious actions are taken to improve the overall quality enhancement of the institution.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The institute has limited scope in the curriculum designing and development. It is designed by the Board of Studies in respective subjects of the University. Fortunately, some of our staff members are members of the Board of Studies and are actively participated in designing the syllabus. Some of the teachers work as the members of syllabus formation committees, some of them send their suggestions to the syllabus formation committees as well as to the Board of Studies. Further, some of the teachers were participated in the workshop on revised Syllabi at various places. Even some teachers have been worked as a resource person in such workshops. This year the University has planned to introduce CBCS pattern for First Year of all degree courses from June 2018 and accordingly University has revised the syllabus of these programmes. The curricula of Carrier Oriented Programmes (Fashion designing and CateringTechnology) are developed by concerned staff members and it is approved by the University. All the departments and faculty members were actively participated and contributed substantially to innovation in curriculum development.

6.3.2 Teaching and Learning

Methods and tools for the delivery of existing courses are improved by using technology. The teaching and learning process is done with the help of ICT enabled lectures, virtual lectures, assignments, seminars, projects and discussions etc. The teaching planning and academic calendar for the curricular and extra-curricular activities are prepared before commencement of the semester/academic year. Remedial coaching and special guidance is provided to academically weak students. The IQAC is paying attention in implementing measurable and demonstrable standards of good teaching and assessment.

6.3.3 Examination and Evaluation

There is semester wise university examination system. It is conducted as per the norms and regulations of the University. The 80:20 pattern is being implemented for third year degree students but it is excluded for first and second year. The examination committee ensures the secrecy and seriousness of the examination. The results of internal assessment are communicated to the students on the notice board in general and personally in particular. The first rank holders represent their classes on the Student Council. The evaluation of the answerbooks of first year students is done in the college as per the guidelines of University under the supervision of CAP Director.

6.3.4 Research and Development

Most of the faculty members are involved in research and development activities. They are encouraged to publish research articles in national and international journals and also to publish books. They are also encouraged to pursue research degrees. Out of 28 permanent teaching staff in the college 12 teachers have Ph. D. degrees . The college also motivates faculty members to apply for minor and major research projects funded by the UGC and other agencies. All the faculty members must have to submit their proposals for evaluation before the research committee formed in the college. 06 faculty members are recognised research guides for Ph. D. in different disciplines. Students are promoted to participate and present their research projects in the University level research competition ‘Avishkar’. They are also promoted to undertake the research projects under the ‘ Research Sensitization Scheme of Shivaji University for College students

6.3.5 Library, ICT and physical infrastructure / instrumentation

The IQAC is very keen in implementing ICT for teaching as IQAC trusts that ICT empowers teachers and learners in making significant contribution to learning and achievement. There are LCDs, OHPs and Laptops available in the college for teaching faculty to enhance the quality of teaching in the college. Required books are purchased for the new courses commencing from the coming academic year. The college has purchased required scientific equipments in the science laboratories. Separate Ph.D. research laboratory for Microbiology , Botany and Physics has been developed. Additional laboratory for Chemistry also has been developed. Considering the increased strength , additional 12 classrooms are made available in the separate building of the parent Institute.

6.3.6 Human Resource Management

All faculty members are involved in different indoor and outdoor activities. The attempt has been made to attract, reward and retain capable faculty. The IQAC attempts to motivate and support the faculty in quality improvement. The outstanding faculty members are felicitated with the ‘Best Teacher Award’, ‘Best Researcher Award’ ‘Life Time Achievement Award’ at institution level.

6.3.7 Faculty and Staff recruitment

Recruitment of faculty and staff depends on the Policy of the Government of Maharashtra as well as rules and regulations of the University. The recruitment is done on the basis of merit and as per the roster system which is maintained at institutional level. Prior approvals for the vacancies are taken from the competent authority and then the same are published in the leading newspapers. The selection process is completed according to the rules and regulations and after forming proper selection committee. Preference is given to NET /SET or Ph. D. qualified candidates while selecting guest and adhoc faculties.

6.3.8 Industry Interaction / Collaboration

The college has established a reasonably good linkage with the subject associations , NGOs, neighbouring industries and Colleges. The College organizes seminars and conferences in collaboration with them as well as conducts various extension activities. The departments like Chemistry, Physics, Microbiology organize study tours to various industries and are in touch with them.

6.3.9 Admission of Students

The students are admitted to various courses according to the government and university norms. The college admits the students from economically backward classes , SC, ST, OBC,SBC, DTNT and minorities as per the directions of the Government. The college adheres to strict transparency and admission rules. In the admission process, almost all the faculty is involved. Every student is convinced and counseled for her optional and special subjects. The admission committee prepares the merit list and notifies it on the notice board. By now, there is no any grievance about the admission process in our institute
