# **‘NATURE PHOTOGRAPHY COMPETITION 2022’**

**Organised by  
Science Association  
And  
Department of Botany**

## **✚ Background**

Nature photography is a wide range of photography taken outdoors and devoted to displaying natural elements such as landscapes, wildlife, plants, and close-ups of natural scenes and textures. Nature photography is a powerful tool. By depicting the beauty of our planet and wildlife, it can illustrate the irreplaceable value of our environment. Furthermore, it can serve to document the changes taking place in our eco-system and biodiversity over the long term.

Science Association and Department of Botany has jointly organised a ‘Nature Photography Competition, 2022’. Students of all programs have participated in this competition. A google form was created to collect the information of participants along with photographs.

**✚ Objectives:**

1. To celebrate the rich biodiversity on Earth
2. To allow students to appreciate and love nature through imagery.
3. To inspire action to conserve and protect our natural environment.

**Total number of participants: 48**
