Student Satisfaction Survey

Academic year 2019-2020

The **student satisfaction survey** was carried out for the academic year 2019-20 by providing **feedback forms** to the final year students of UG and PG programmes. The feedback contained questions on various aspects which were related with curriculum, respective departments and about the institute. The response for each aspect was taken in five different categories, namely very good (VG), good (G) fair (F), satisfactory (F) and unsatisfactory (UN). A proforma of the feedback form is enclosed as Annexure 1.

A total number of 329 students from UG and 20 students from PG were responded to this survey. The finding indicates that, UG as well as PG students have given positive impressions with all aspects. More than 80 % students have responded by marking very good (VG) and good (G).

About the curriculum, for the depth of the course content including project work 75 % PG students appreciated by very good while 66.56 % and 28.87 % UG students reported very good and good respectively.

A 60 % of PG students feel very good and 40 % students feel good about extent of coverage of course. 50 % of PG student and 55.92 % of UG student feel very good about applicability / relevance of curriculum to real life situation.

60 % of PG and 57.14 % of UG student responded very well for learning value of Curriculum in terms of knowledge, concepts, manual skills, analytical ability and broadening perspectives.

About 40 % of PG and 42.86 % of UG students responded very good while 60 % PG and 33.13 % of UG students responded good to relevance of additional source regarding material from library.

Overall, 60 % of PG and 47.42 % of UG students were found to be responded very good to the curriculum. 40 % of PG and 38.30 % of UG students feel good impact. No any student responded to unsatisfied about the curriculum.

A view of the students about their departments was analyzed on the basis of knowledge of the faculty, communications skill, sincerity and commitment of faculty with the students, subject interest generated by the faculty. The 80 % of PG and 73.56 % UG students are well in agreement with subject knowledge of the teacher.

Regarding communication skill of faculty, PG students have appreciated than UG students. The Communication skill of the faculty impacts very well on the students. The main role of the teacher is to create the subject interest among the students. The survey reveals that, 61.7 % of UG and 55 % of PG students remarked very good about faculty in respect of interest generated. The 58.36 % and 28.57 % of UG students are agreed very good and good respectively about teachers' ability to integrate course contents.

The opinion of the 60 % of PG students is very good regarding availability of faculty in an out of class while 62% of U.G student are remarked very good for availability of the teacher for motivation. This difference may be due to student teacher ratio. The 63.22 % and 75 % of U.G. students and PG students respectively recorded very good remarks about ability of the teacher to design and conduct tests, projects and examinations. 80 % of P.G. students and 63.53 % U.G. students gave overall rating of the department as very good. The higher percentage of P.G. students feeling very good than UG student percentage may be due to easy availability of all learning source to P.G students than that of U.G. students.

The response of the students about all aspects in the institute like admission procedure and fee structure, campus environment, infra structure including laboratory facilities, extra-curricular, co- curricular activities, sports and cultural activities, carrier guidance counseling and placement cell, library, Canteen and hostel facilities was collected.

All the P.G. students are responded very good and good for all aspects about institute. More than 94 % of the UG students responded very good and good to all question about the institute. Only 20.98 % of UG students feel fair about canteen facility.

Overall, this survey shows that the students are happy and satisfied with curricular, extracurricular activities as well as with all aspects in the college.
